the green garment bag

The Green Garment Bag is a suit bag that cleverly folds down to form a large carrier bag.

Socially responsible and built for recycling; Greengrocer bags provide an environment-friendly and positive alternative to the ubiquitous plastic bag.

We are a London based business who design & supply recyclable sustainable consumer carrier bags to UK businesses and consumers.

There are presently 8 bag styles in our product family including food and non-food bags. Full details may be found at our website:

OK UK, It's so simple!

Reduce, Reuse, Recycle.

With Greengrocer Bags you can demonstrate that you're an environmentally-aware retailer, increase brand awareness and keep one step ahead of the competition.
